Lent:
(March 5 – April 19)

Purple is used during the penitential season of Lent as a vivid reminder of the contempt and scorn Jesus endured, and the subsequent sacrifice he made for our eternal salvation. It reminds us of our daily need to humbly give attention to leading a life of repentance.

The length of the Lenten season is forty days, which includes six Sundays. The season begins on Ash Wednesday.

Music during Lent is reflective of the season's focus on repentance and mercy. There are no "Alleluia" or "Glory to God in the Highest" verses sung in the liturgy during Lent. Fasting is practiced by some of the faithful during the Lenten season.

Pastor Mark's Remarks for April 2025

"What we believe is measured by what we do"

²⁴"[Jesus said] Everyone then who hears these words of mine and acts on them will be like a wise man who built his house on rock. ²⁵The rain fell, the floods came, and the winds blew and beat on that house, but it did not fall, because it had been founded on rock. ²⁶And everyone who hears these words of mine and does not act on them will be like a foolish man who built his house on sand. ²⁷The rain fell, and the floods came, and the winds blew and beat against that house, and it fell—and great was its fall!"

Matthew 7:24-27

It is great to believe what Jesus teaches in the Sermon on the Mount (Matthew 5-7), but we will only be blessed by his teaching if we do what he says and not just hear it.

I can hear my doctor say, "You need to eat better," but I am only blessed by hearing those words if I do what the doctor says.

I can hear my boss say, "You will get a bonus if you accomplish these work goals" but I will only get the bonus if I do what the boss says and not just hear the words.

I can hear lots of great sermons about living the Christian life, but I will be blessed by none of them if all I do is hear the words. I will only be blessed by them when I live according to the words I have heard.

Faith that is not willing to act on what it says it believes is not really faith. A much better measurement for faith than simply listing intellectual beliefs is seeing what we actually do.

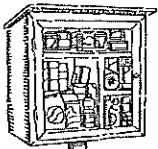

Father, I call you my provider, but I too often live as though my provision is completely dependent on me. I call you my protector, but I often live life in fear and don't take the risk of doing what you are calling me to do. I call you my Lord, but often choose to veto what you are saying so I can do things my way. Help me to start having my actions more fully match what I claim to believe. AMEN
