Lent:

(Feb 18– April 2)

Purple is used during the penitential season of Lent as a vivid reminder of the contempt and scorn Jesus endured, and the subsequent sacrifice he made for our eternal salvation. It reminds us of our daily need to humbly give attention to leading a life of repentance.

The length of the Lenten season is forty days, which includes six Sundays. The season begins on Ash Wednesday.

Music during Lent is reflective of the season's focus on repentance and mercy. There are no "Alleluia" or "Glory to God in the Highest" verses sung in the liturgy during Lent. Fasting is practiced by some of the faithful during the Lenten season.

Pastor Mark's Remarks for March 2026***"Faith is about Relationship and Purpose, not just Destination"*****Genesis 12:1-4 - Now the Lord had said to Abram:***"Get out of your country,**From your family and from your father's house,**To a land that I will show you.**² I will make you a great nation; I will bless you**And make your name great; and you shall be a blessing.**³ I will bless those who bless you, and I will curse him who curses you;**And in you all the families of the earth shall be blessed."**⁴ So Abram departed as the Lord had spoken to him, and Lot went with him.*

So often we talk about faith as our access point to salvation. It is, but it is meant to be an access point to much more than that. Faith is meant to bring us into a greater experience of God's presence and purposes now and not just qualify us to go to heaven when we die.

Because Abraham was a man of faith, God chose him to model what ought to be normal life in God's Kingdom. He was a friend of God, and he would be blessed to be a blessing to his generation and many generations to come because of his faith.

When faith remains a private thing which I depend on for my own salvation without becoming something acted out in my life for the sake of glorifying God and blessing others, it misses out on much of what it is intended to do. Abraham acted on his faith and allowed God to lead him into his purpose. It is being willing to take the risk of acting on his faith which led him into both a greater intimacy with God and a greater impact in the world.

As I get older, I am less satisfied with my faith getting me to heaven and hungrier to allow it to lead me into risks and adventures where I will get to know aspects of God I would otherwise never know and be part of spreading God's Kingdom in the world in ways I would otherwise never imagine by keeping my faith intellectual rather than experiential.

Father may my faith be more than just an intellectual exercise that gets me to heaven when I die. May it be an invitation to risk and adventure which will lead me to greater intimacy with you and greater participation in what is in the world. AMEN

Wednesdays During Lent – Soup Supper/Light Supper at 6:30 and Service at 7:00

We had a wonderful first Midweek Lenten soup supper and service on February 25, and I am excited to see what God will be up to the rest of Lent. We are gathering each Wednesday through March 25 for a soup supper (or other light supper items) at 6:30pm followed by informal time of worship, conversation, prayer and learning about how to become true apprentices of Jesus in daily life. For those who want to go deeper into the topic, we are using the book *Practicing the Way* by John Mark Comer as our study resource. If you would like the church to order you a book, let Pastor Mark know.

Sign up in the Fellowship Hall if you are able to bring soup or other items for the dinner one or more of the Wednesdays.

LifeWise Bible Classes in Yukon and Mustang Schools

Pastor Mark is part of a group working to provide school-day, released-time, off-site Bible classes in Yukon and Mustang schools. It is through an Ohio-based group called LifeWise which has started over 1000 such programs in about 35 states so far. We have hired a director in Yukon and are working to find one in Mustang. If you want to learn more, Pastor Mark is hosting a table a LifeWise's Vision night on Thursday, April 9 at 6pm at the Omni in OKC where LifeWise founder Joel Penton will be speaking. If you would like to come to the event, it is free, and you can register at <http://lifewise.org/ok-markborseth>
